WASTE MANAGEMENT PLAN

(33 CFR 151.57 required for vessels 12 meters / 39.4 feet in length or more)

In compliance with the Code of Federal Regulations – 33 CFR 151.57 – the following Waste Management Plan is in effect onboard this vessel.

The Plan: All waste and discharge thereof into the sea shall be in strict compliance with the International Convention for the Prevention of Pollution from Ships – Annex V of MARPOL (Marine Pollution) 73/78. The requirements regarding Illegal Dumping are as per the Placards displayed onboard for solid waste & garbage, oil pollutants and human waste.

Designated Crew Member in charge of the Plan: The individual acting as the skipper of this vessel is the designated person responsible for insuring compliance with the Regulations.
